

Size Guide

Jackets & coats :

① ②

Size **number 2** is our sample size. This size is developed for peoples between 1,85 to 2,00 meters high. Size **number 1** is developed for peoples around 1,70 to 1,85 meters high. Between the two sizes proposed, each piece is proportionally modified to the body differences.

Pants :

②8 ③0 ③2 ③4 ③6 ③8

Our pants sizes are based on US waist chart sizes. The length is same than the waist size. For example our 32 size matches with an european 42. The length size is 82 centimeters.

Rings :

⑤2 ⑤4 ⑤6 ⑤8
⑥0 ⑥2 ⑥4 ⑥6

Our ring sizes are based on the european chart. The number corresponds to the finger circumference in mm. For example our size 62 is equal to the size 10 in UK or USA.
